

LIFE INSURANCE

Orange County Water District offers basic life insurance to its Board Members. The basic life insurance consists of a flat \$25,000 worth of coverage. Each Board Member has the voluntary option to purchase supplemental life insurance at their cost.

RETIREMENT

401(a) – Upon hire, all full-time Directors are immediately enrolled in the District's private 401(a) retirement plan, administered by Prudential. 3% of the Director's mandatory 7.65% contributions are paid by the District leaving the Director to only pay 4.65%. The District also contributes a first layer match of 7.65%, for a total of 10.65%. Following completion of one-year of service, the District contributes a second layer of an additional 6.0 %, which the employee will be fully vested in after five years of service. Visit Prudential's website at www.prudential.com/online/retirement or call their customer service number (877) 778-2100.

457 Deferred Compensation Plan – Participation in the deferred compensation plan is voluntary. We contract with Prudential for our 457 Deferred Compensation plan. In 2017 you may choose to contribute up to \$18,000 (pre-tax) towards your retirement fund. Prudential also has a website for your information at www.prudential.com and a customer service number (877) 778-2100.

Orange County Water District

Mission Statement

To provide local water retailers with a reliable, adequate, high-quality groundwater supply at the lowest reasonable cost and in an environmentally responsible manner.

Insurance Plans Offered at the Orange County Water District

MEDICAL INSURANCE

Orange County Water District offers five options of medical coverage to employees. They are **Kaiser HMO or Anthem Blue Cross Plans: Prudent Buyer Classic PPO, Prudent Buyer Advantage PPO, California Care HMO and HealthFund High Deductible PPO**. Each employee has the opportunity to choose which plan works best for themselves and their families. Employees will be offered the choice once upon commencement of employment and once every year at open enrollment, after the initial sign-up. The Orange County Water District pays a set amount for each level of the plans. Here is a brief description about each plan and how much they cost.

If you enroll in one of the PPO plans, you have the greatest choice of health care professionals because you may receive health care services from any licensed health care professional for your covered services. Further information about Anthem Blue Cross can be accessed at www.anthem.com/ca/

Prudent Buyer Classic PPO Premiums

DENTAL INSURANCE

Orange County Water District offers two options of dental coverage to the employees. The first plan is the **Delta Dental (PPO)** plan and the second is the **Delta Care (HMO)** plan. Again each employee has

the opportunity to choose which plan works best for themselves and their families. Employees will be offered the choice once upon commencement of employment and once every year at open enrollment, after the initial sign-up. The Orange County Water District pays a set amount for each level of the plan. Here is a brief description about each plan and how much they cost.

Delta Dental PPO is offered to OCWD employees through ACWA/JPIA. The structure of the plan is similar to the medical PPO plan. You have a choice of dentist from the plan, but can go outside of the plan for an additional cost. To find out more about Delta Dental you can read the plan description, go to their website at www.deltadentalins.com, or call (888) 335-8227.

Delta Dental PPO

Employee only	
Total Monthly Premium:	\$46.23
Employee's Portion:	\$0.00
District's Monthly Contribution:	\$46.23
