ORANGE COUNTY WATER DISTRICT
Orange County's Groundwater Authority

December 10, 2018

Dear Neighbor,

This notification is a follow up letter regarding the Orange County Water District's North Basin Remedial Investigation and Feasibility Study. Below is an update of District activities along Yale Avenue.

On Monday, December 17, crews will be in your neighborhood to inspect the interior of OCWD's two recently installed monitoring wells. To accommodate the necessary vehicles and equipment, approximately 30 feet of parking on Yale Avenue will be unavailable from 8 a.m.-2 p.m. on December 17. A small generator will be used, but we do not expect additional noise. We will comply with all city of Fullerton noise ordinances.

We apologize for this temporary inconvenience and thank you for your patience. Should you have any questions regarding this closure or the project in general, please call the OCWD Construction Hotline at (714) 378-8244 or email info@ocwd.com. Si tiene preguntas en Español, favor de llamar a (714) 378-8244.

Sincerely,

Crystal Nettles
Senior Communications Specialist
Orange County Water District
