

AGENDA
ADMINISTRATION/FINANCE ISSUES COMMITTEE MEETING
WITH BOARD OF DIRECTORS*
ORANGE COUNTY WATER DISTRICT
18700 Ward Street, Fountain Valley, CA 92708
Thursday, August 15, 2024, 12:00 p.m.
Conference Room C-2

*The OCWD Administration and Finance Issues Committee meeting is noticed as a joint meeting with the Board of Directors for the purpose of strict compliance with the Brown Act and it provides an opportunity for all Directors to hear presentations and participate in discussions. Directors receive no additional compensation or stipend as a result of simultaneously convening this meeting. Items recommended for approval at this meeting will be placed on the **August 21** Board meeting Agenda for approval.

This meeting will be held in person. As a convenience for the public, the meeting may also be accessed by Zoom Webinar and will be available by either computer or telephone audio as indicated below. Because this is an in-person meeting and the Zoom component is not required, but rather is being offered as a convenience, if there are any technical issues during the meeting, this meeting will continue and will not be suspended.

Computer Audio: Join the Zoom meeting by clicking on the following link:

<https://ocwd.zoom.us/j/84653737407>

Meeting ID: 846 5373 7407

Telephone Audio: (213) 338 8477

Teleconference Sites:
10382 Bonnie Drive, Garden Grove
1502 North Broadway, Santa Ana
1454 Madison Street, Tustin
20 Civic Center Drive, Santa Ana
19 Cannery, Buena Park

* Members of the public may attend and participate at all locations

ROLL CALL

ITEMS RECEIVED TOO LATE TO BE AGENDIZED

RECOMMENDATION: Adopt resolution determining need to take immediate action on item(s) and that the need for action came to the attention of the District subsequent to the posting of the Agenda (requires two-thirds vote of the Board members present, or, if less than two-thirds of the members are present, a unanimous vote of those members present.)

VISITOR PARTICIPATION

Time has been reserved at this point in the agenda for persons wishing to comment for up to three minutes to the Board of Directors on any item that is not listed on the agenda, but within the subject matter jurisdiction of the District. By law, the Board of Directors is prohibited from taking action on such public comments. As appropriate, matters raised in these public comments will be referred to District staff or placed on the agenda of an upcoming Board meeting.

At this time, members of the public may also offer public comment for up to three minutes on any item on the Consent Calendar. While members of the public may not remove an item from the Consent Calendar for separate discussion, a Director may do so at the request of a member of the public.

CONSENT CALENDAR (ITEMS NO. 1 – 7)

All matters on the Consent Calendar are to be approved by one motion, without separate discussion on these items, unless a Board member or District staff request that specific items be removed from the Consent Calendar for separate consideration.

1. MINUTES OF ADMINISTRATION/FINANCE ISSUES COMMITTEE MEETING HELD JULY 11, 2024
RECOMMENDATION: Approve minutes as presented
2. MONTHLY CASH CONTROL REPORTS
RECOMMENDATION: Agendize for August 21 Board meeting: Receive and file Summary Cash and Cash Equivalents Control Reports dated July 31, 2024
3. INVESTMENT PORTFOLIO HOLDINGS REPORTS
RECOMMENDATION: Agendize for August 21 Board meeting: Receive and file the Investment Portfolio Holdings Reports dated July 31, 2024
4. AWARD OF AGREEMENT TO NIEVES LANDSCAPE, INC. FOR LANDSCAPE MAINTENANCE SERVICES AT WARNER BASIN AND SANTIAGO BIKE TRAIL
RECOMMENDATION: Agendize for August 21 Board meeting: Authorize issuance of an Agreement to Nieves Landscape, Inc. for a three (3) year term with an option to extend for an additional one (1) year with General Manager approval for a total amount not to exceed \$432,740 for landscape maintenance services at Warner Basin frontage and along the Santiago Basin bike trail
5. ULTRAVIOLET LIGHT (UV) EQUIPMENT SUPPLY
RECOMMENDATION: Agendize for August 21 Board meeting: Authorize issuance of Purchase Order to Trojan Technologies Group ULC for the purchase of 1,080 UV lamps in the amount of \$265,259, including freight
6. AMENDMENT TO LILLESTRAND LEADERSHIP CONSULTING FOR STAFF LEADERSHIP DEVELOPMENT
RECOMMENDATION: Agendize for August 21 Board meeting: Authorize Issuance of Amendment No.1 to Agreement No.1611 with Lillestrand Leadership Consulting for an amount not to exceed \$8,100
7. WATER EMERGENCY RESPONSE ORGANIZATION OF ORANGE COUNTY (WEROC) FUNDING BUDGET FOR 2024-25
RECOMMENDATION: Agendize for August 21 Board meeting: Approve 2024-25 WEROC budget in the amount of \$601,615 and authorize payment of OCWD's share in the amount of \$150,404

END OF CONSENT CALENDAR

MATTERS FOR CONSIDERATION

8. ACTUARIAL VALUATION OF RETIREE MEDICAL INSURANCE BENEFIT PLAN

RECOMMENDATION: Agendize for August 21 Board meeting: Receive and file the June 30, 2023 Orange County Water District Retiree Healthcare Plan Actuarial Valuation report

9. PROPOSED AUDIOVISUAL REPLACEMENTS TO THE BOARDROOM, C2 AND C3 CONFERENCE ROOMS

RECOMMENDATION: Agendize for August 21 Board meeting: Direct staff to develop a Request for Proposals (RFP) for an audiovisual contractor to replace the audiovisual systems in the Boardroom, to include the direct view LED (dvLED) video wall option, and in the C2 and C3 conference rooms

INFORMATIONAL ITEMS

10. CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING

In accordance with the requirements of California Government Code Section 54954.2, this agenda has been posted at the guard shack entrance and in the main lobby of the Orange County Water District, 18700 Ward Street, Fountain Valley, CA and on the OCWD website not less than 72 hours prior to the meeting date and time above. All written materials relating to each agenda item are available for public inspection in the office of the District Secretary. Backup material for the Agenda is available at the District offices for public review and can be viewed online at the District's website: www.ocwd.com

Pursuant to the Americans with Disabilities Act, persons with a disability who require a disability-related modification or accommodation in order to participate in a meeting, including auxiliary aids or services, may request such modification or accommodation from the District Secretary at (714) 378-3234, by email at cfuller@ocwd.com by fax at (714) 378-3373. Notification 24 hours prior to the meeting will enable District staff to make reasonable arrangements to assure accessibility to the meeting.

As a general rule, agenda reports or other written documentation has been prepared or organized with respect to each item of business listed on the agenda, and can be reviewed at www.ocwd.com. Copies of these materials and other disclosable public records distributed to all or a majority of the members of the Board of Directors in connection with an open session agenda item are also on file with and available for inspection at the Office of the District Secretary, 18700 Ward Street, Fountain Valley, California, during regular business hours, 8:00 am to 5:00 pm, Monday through Friday. If such writings are distributed to members of the Board of Directors on the day of a Board meeting, the writings will be available at the entrance to the Board of Directors meeting room at the Orange County Water District office.

MINUTES OF BOARD OF DIRECTORS MEETING
ADMINISTRATION AND FINANCE ISSUES COMMITTEE
ORANGE COUNTY WATER DISTRICT
Thursday, July 11, 2024 @ 12:00 p.m.

Director Whitaker called the Administration and Finance Issues Committee meeting to order at 12:00 p.m. in Conference Room C-2 in Fountain Valley, CA. Public access was also provided via Zoom webinar. The Secretary called the roll and reported a quorum as follows:

Committee Members

Roger Yoh (absent)
Dina Nguyen (absent)
Valerie Amezcua
Natalie Meeks (absent)
Bruce Whitaker

OCWD staff

Randy Fick – Treasurer/CFO
John Kennedy – General Manager
Jeremy Jungreis – General Counsel
Melissa Ochoa – Controller
Jason Dadakis – Executive Director
Mehul Patel – Executive Director
Lisa Haney – Executive Director
Chris Olsen – Executive Director
Bruce Dosier – Director of IS/Property Management
Leticia Villarreal – Assistant District Secretary

Alternates

Erik Weigand
Denis Bilodeau
Steve Sheldon
Van Tran (absent)
Cathy Green (absent)

CONSENT CALENDAR

The Consent Calendar was approved upon motion by Director Amezcua, seconded by Director Sheldon and carried [5-0-] as follows:

Ayes: Amezcua, Whitaker, Weigand, Bilodeau, Sheldon

1. Minutes of Previous Meeting

The minutes of the Administration/Finance Issues Committee meeting held June 13, 2024, were approved as presented.

2. Monthly Cash Control Report

Recommended by Committee for approval at July 17 Board meeting: Receive and file Summary Cash, and Cash Equivalents Control Report dated June 30, 2024.

3. Investment Portfolio Holdings Reports

Recommended by Committee for approval at July 17 Board meeting: Receive and File the Investment Portfolio Holdings Reports dated June 30, 2024.

4. Agreement for Purchase of 5,472 Microfiltration Membrane Modules

Recommended by Committee for approval at July 17 Board meeting: Authorize purchase of 5,472 polypropylene MF membrane modules from Memcor/Dupont Water Solutions for an amount not to exceed \$5,240,416.

5. KLIR Permitting Module Software Pilot

Recommended by Committee for approval at July 17 Board meeting: Approve and authorize the execution of Klir Comply Software Solution Contract effective July 15, 2024, through July 30, 2025.

6. Purchase F-150 Truck from Villa Ford of Orange

Recommended by Committee for approval at July 17 Board meeting: Authorize issuance of Purchase Order to Villa Ford of Orange for \$49,120 to purchase of an F-150 Truck, and place T-128 on the surplus equipment list when the new truck is delivered.

7. Purchase John Deere 450 Bulldozer from Coastline

Recommended by Committee for approval at July 17 Board meeting: Authorize issuance of Purchase Order to Coastline Equipment for \$212,692 for purchase of a John Deere 450 Bulldozer, and place of TL-20 on the surplus equipment list when the new equipment is delivered.

MATTERS FOR CONSIDERATION

8. Possible Producers Well Construction Loan Program

Executive Director of Engineering Chris Olsen stated that the current Basin Production Percentage (BPP) is at 85%. He shared that the groundwater basin is in good shape due to back-to-back wet years and OCWD is currently offering a \$200/AF discount on Basin Equity Assessment (BEA) to most Producers. He noted however that not all Producers can take advantage of the current offer due to lack of pumping capacity. He indicated that priority would be given to new Producer wells constructed to have the ability to reach 100% BPP. Treasurer/CFO Randy Fick presented some funding source options for this program, while maintaining OCWD's AAA credit rating.

Upon motion by Director Amezcua, seconded by Director Weigand, and carrier [5-0], the Committee recommended that the Board at its July 17 Board meeting: Direct staff to proceed with Producer discussions.

Ayes: Amezcua, Whitaker, Weigand, Bilodeau, Sheldon

INFORMATIONAL ITEMS

9. Workplace Violence Prevention Program

Risk & Safety Manager Paula Bouyounes shared that Governor Newsom signed Senate Bill (SB) 553 on September 30, 2023 mandating a comprehensive Workplace Violence Prevention Plan (WVPP) for nearly all employers in California with the law becoming effective July 1, 2024. She reported that staff prepared the required WVPP which she presented the requirements of the new regulations to the Committee.

10. Monthly Cash Disbursement Report

There was no discussion on this item

CHAIR DIRECTION AS TO WHICH ITEMS, IF ANY TO BE AGENDIZED AS MATTERS FOR CONSIDERATION AT JULY 17 BOARD MEETING

It was agreed to place all items on the Consent Calendar for the July 17 Board meeting.

ADJOURNMENT

There being no further business, the meeting was adjourned at 12:31 p.m.

Subject: INVESTMENT PORTFOLIO HOLDINGS REPORTS

SUMMARY

The District's monthly Investment Portfolio Holdings Report is provided for Committee review.

Attachment: Investment Portfolio Holdings Reports dated July 31, 2024.

RECOMMENDATION

Agendize for August 21 Board meeting: Receive and file the Investment Portfolio Holdings Reports dated July 31, 2024.

BACKGROUND/ANALYSIS

The Investment Portfolio Holdings Report is a list of each of the District's fixed income investments and provides the market value at the end of each month. All securities within the District's Investment Portfolio are in compliance with the District's Statement of Investment Policy. The District's portfolio maturities provide cash liquidity sufficient to meet the District's projected six-month expenditures (as required by Government Code Section 53646).

Highlights of the current and previous report:

Description	Prior Month	Current Month
SWAP Value (in Citi's favor)	\$3,958,531	\$4,713,659
Required Collateral	None	None
Duration/Maturity	308 Days or 0.84 years	262 Days or 0.72 years
Rate of Return/Yield	3.351%	3.605%

- The yield on the one-year Treasury note as of the month end is at 4.73%; two-year at 4.29% and the five-year at 3.97%. The last Federal Open Market committee (FOMC) meeting was held on July 30-31, 2024. The FOMC kept the Federal fund rates steady at a 22-year high of 5.25% to 5.50%. This is the rate prime banks lend to each other.

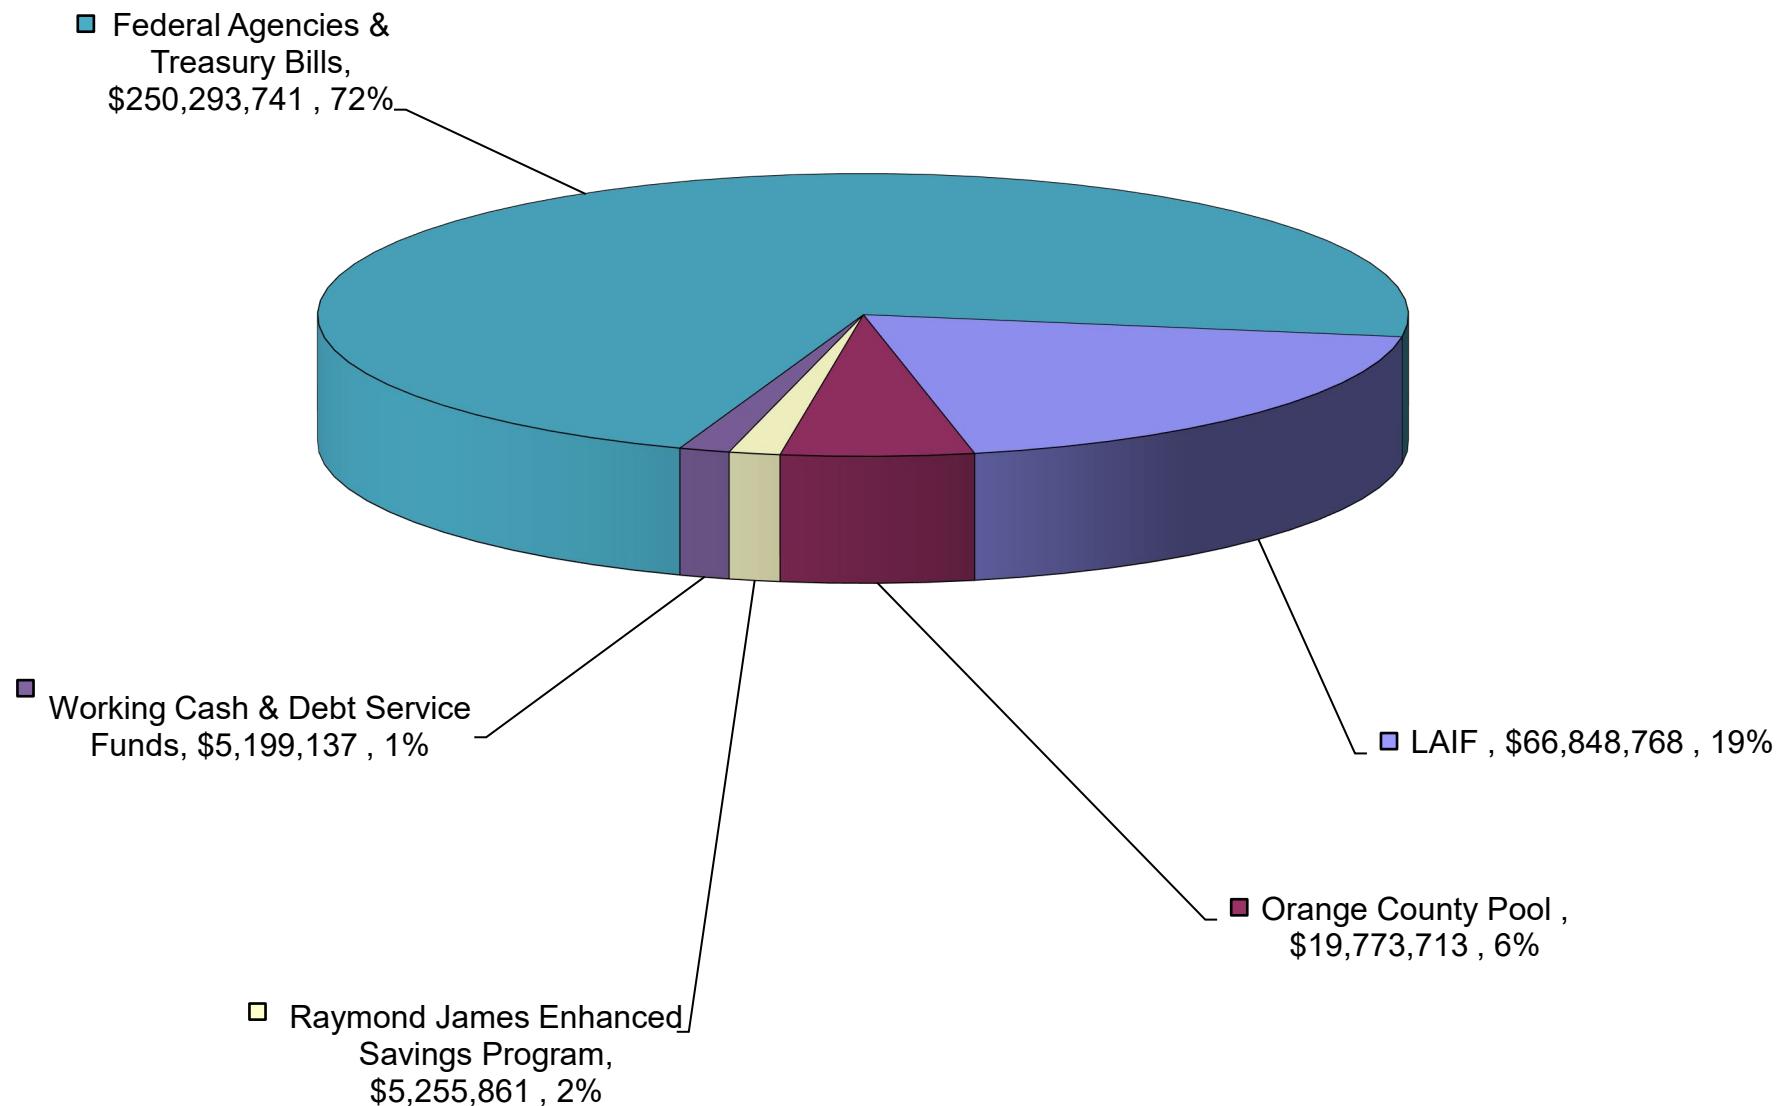

Orange County Water District Investment Portfolio Holdings Report

07/31/24

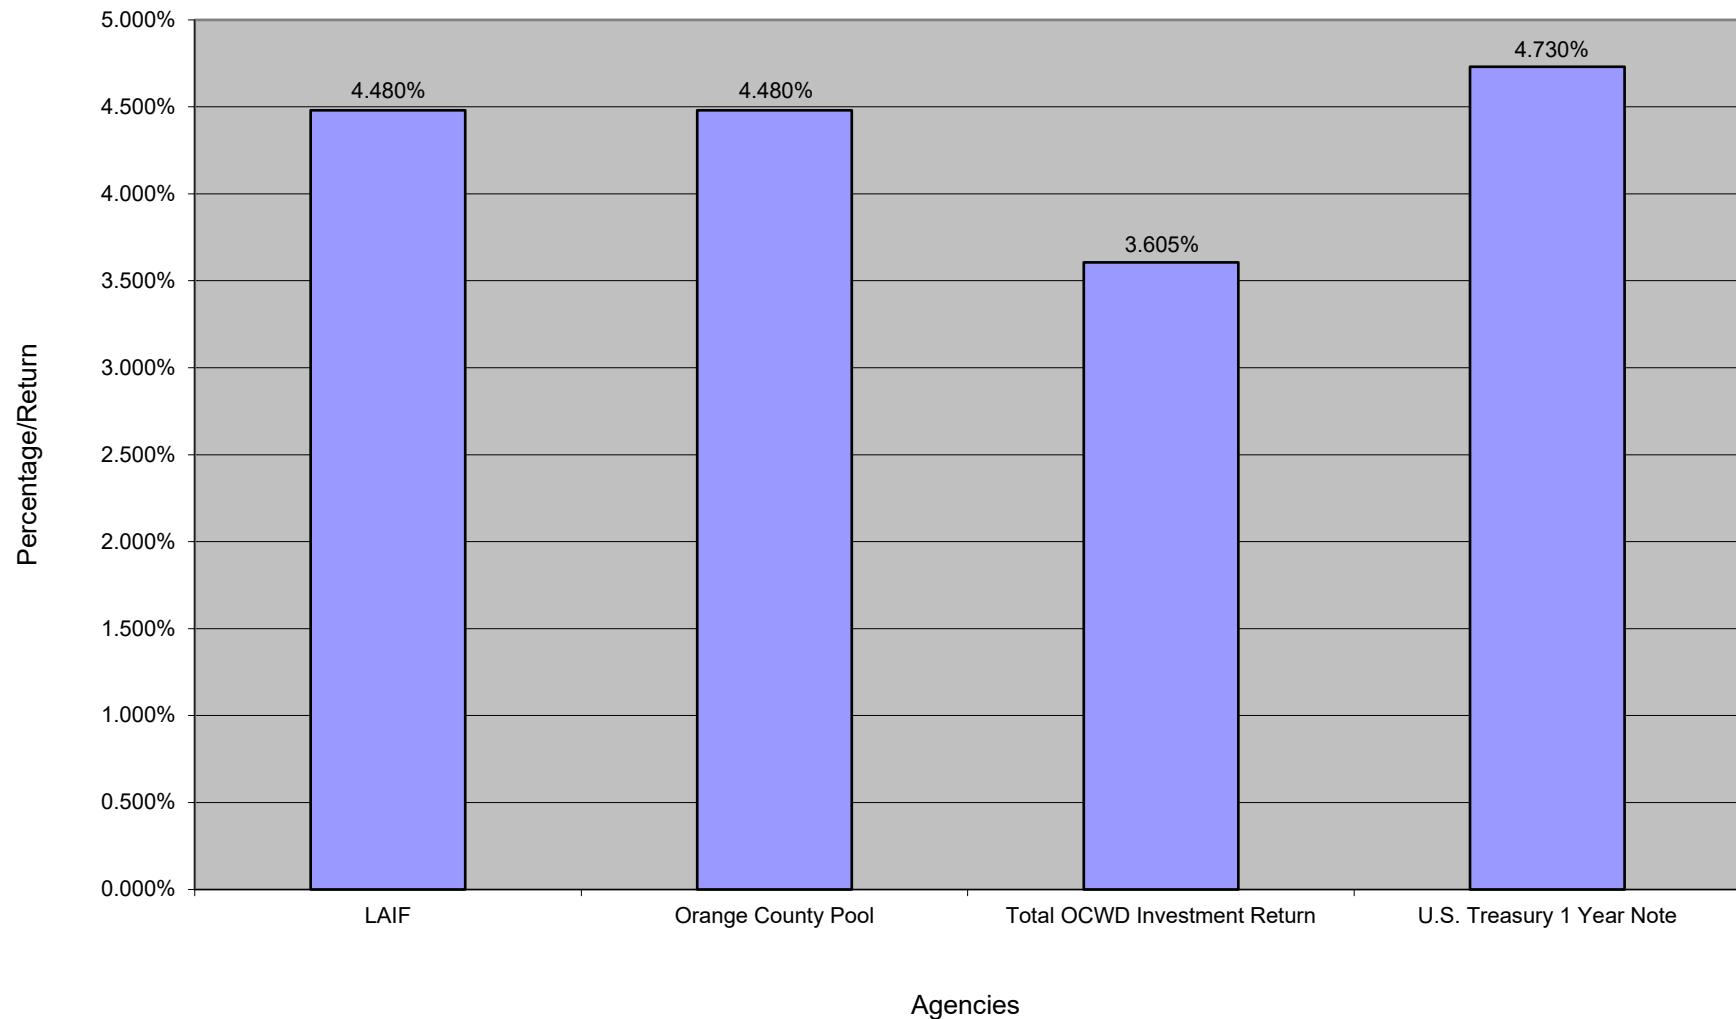

(1) Market value is as of the most recent quarter-end/month-end as reported by LAIF/OCIP/FCB. Security values are provided by Bloomberg Financial Markets and/or US Bank Investment Services.

Note: This Investment Summary Report is in conformity with OCWD's Investment Policy and provides sufficient liquidity to meet the next six months estimated expenditures.

OCWD - Investment Portfolio as of July 31, 2024

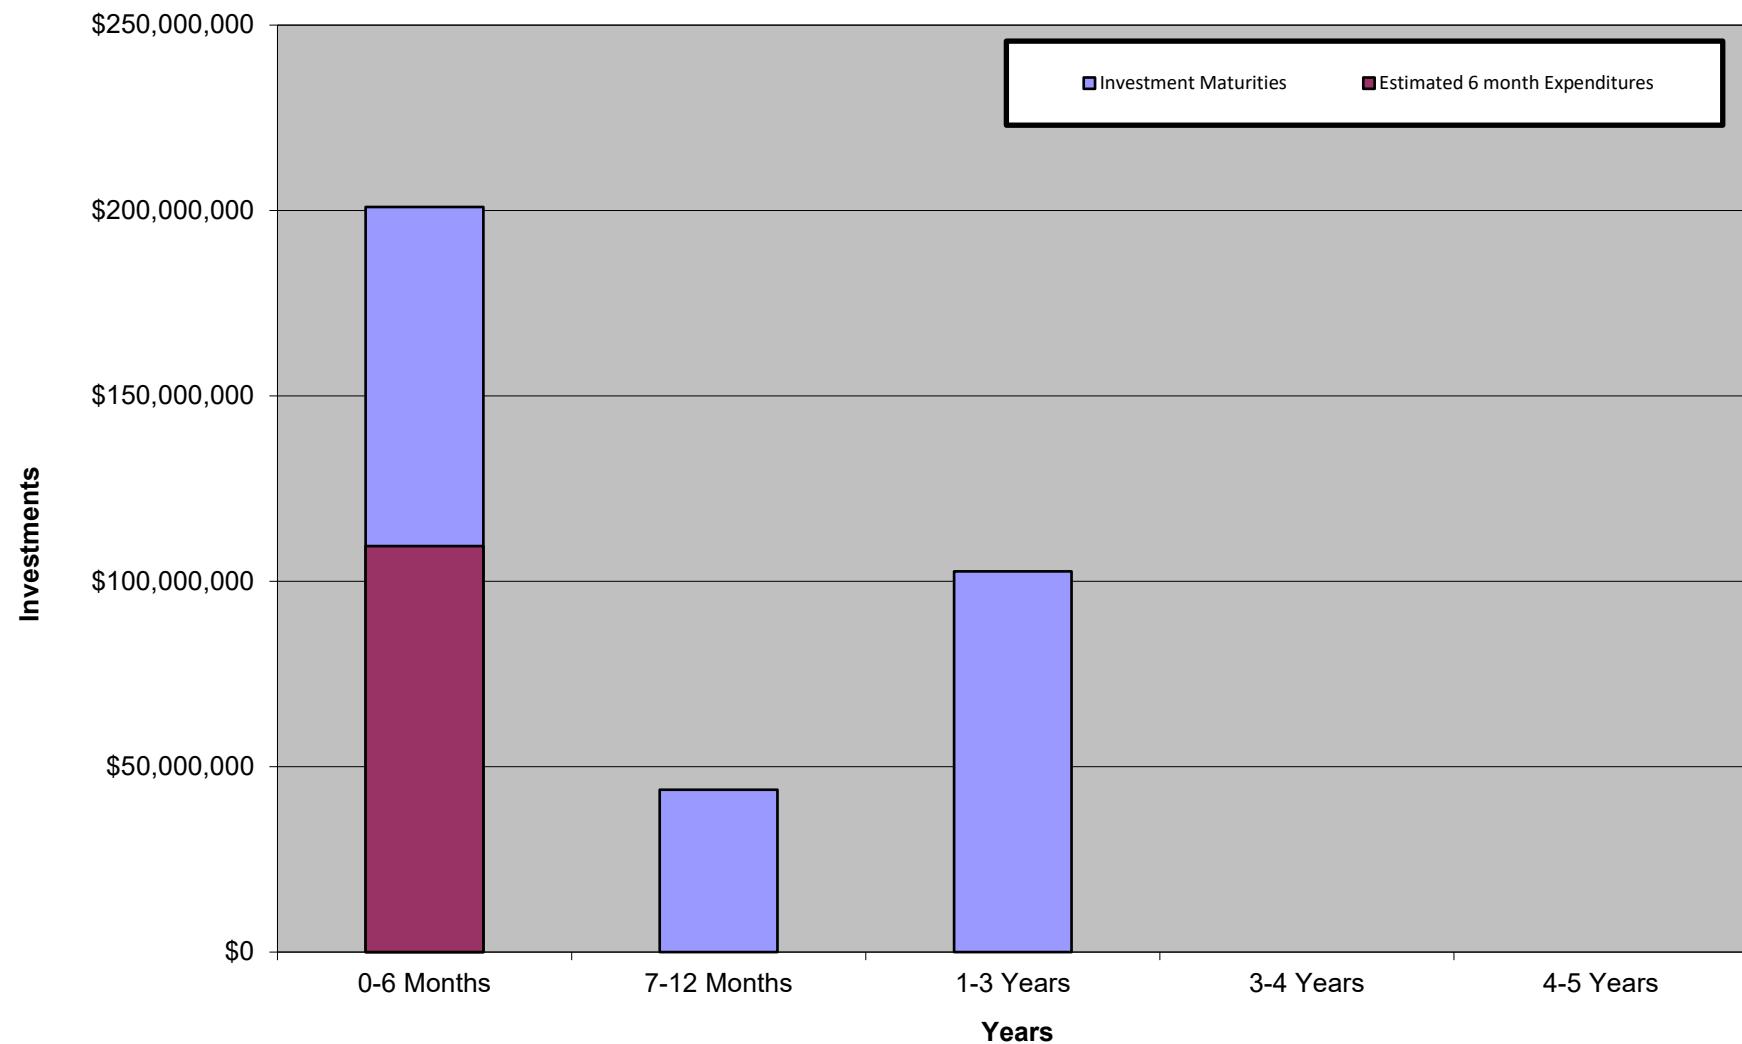

OCWD - Investment Return Comparison for the Month Ended 07/31/24

Note: Orange County Pool and LAIF rates are as of June 30, 2024.

Subject: **AWARD OF AGREEMENT TO NIEVES LANDSCAPE, INC. FOR LANDSCAPE MAINTENANCE SERVICES AT WARNER BASIN AND SANTIAGO BIKE TRAIL**

SUMMARY

The District is responsible for maintaining the landscapes and paths along the Warner Basin frontage and Santiago Basin bike trail. A Request for Proposals that combines the scope of work for both sites was advertised. Staff has evaluated the proposals and recommends award of the work to Nieves Landscape, Inc.

Attachment: Nieves Landscape, Inc. Proposal dated July 19, 2024

RECOMMENDATION

Agendize for August 21 Board meeting: Authorize issuance of an Agreement to Nieves Landscape, Inc. for a three (3) year term with an option to extend for an additional one (1) year with General Manager approval for a total amount not to exceed \$432,740 for landscape maintenance services at Warner Basin frontage and along the Santiago Basin bike trail.

BACKGROUND/ANALYSIS

The District's recharge operations group contracts landscape maintenance of two large and publicly prominent areas located in the cities of Anaheim and Orange. The maintenance is currently divided into two separate agreements which expire on July 31, 2024, for the Santiago Bike Trail (2 miles of parkway, see Figure 1) and October 31, 2024, for the Warner Basin Frontage (4-acres, see Figure 2). The landscapes consist of a combination of native/drought tolerant plants and trees. The scope of work is to care for and maintain landscape plants, groundcovers, pest management, and high efficiency irrigation systems. Weekly routine maintenance is necessary to maintain a good appearance and ensure the landscapes thrive in good health.

On June 24, 2024, the District released a Request for Proposal (RFP) for Landscape Maintenance Services to combine both project locations under a single agreement. The RFP was advertised on the District's website and sent to a list of landscape maintenance services firms. A mandatory pre-proposal meeting was held on July 10 to provide interested firms with an overview of the required services and a walk through of

the locations. The District received four (4) proposals which were evaluated by a selection committee consisting of three District staff. Proposals were evaluated based on responsibility, responsiveness, experience, understanding of the scope, and total cost that must comply with the Department of Industrial Relations (DIR) prevailing wage rates. The proposal submitted by Soltis and Company, Inc, was incomplete and is determined to be non-responsive. The other three proposals were responsive as they met the RFP submittal requirements. Table 1 summarizes the proposals and their evaluation results.

Figure 1: Santiago Basin Bike Trail

Figure 2: Warner Basin Frontage

Table 1: RFP Evaluation Summary

Rank	Vendor	Total Three-Year Price	Total Three-Year plus Optional One-Year Price
1	Nieves Landscape, Inc.	\$ 313,484	\$ 432,740
2	Mariposa Landscape, Inc.	\$ 301,087	\$ 416,995
3	Tropical Plaza Nursery, Inc.	\$ 418,051	\$ 580,438
-	Soltis and Company, Inc.	Non-Responsive	

Based on the results from the proposal evaluations, Nieves Landscape, Inc. was ranked as the highest firm. Nieves' proposal demonstrates relevant experience and understanding of the scope of services required within the RFP and provides the best overall value for services. Nieves is an established landscape maintenance services firm that has been in the business for over 38 years and has provided similar services to other public agencies across southern California such as the City of Fountain Valley, El Toro Water District, City of Lake Forest, and City of Temecula. Although the second ranked Mariposa price is slightly lower, Nieves provided lower extra work pricing. The District regularly uses this extra work arrangement to cover as-needed projects such as ground cover, mulch, shrub, and tree installation. The extra work services are budgeted separately each fiscal year. This past year, nearly \$40,000 was spent on extra work.

Staff recommends award of an Agreement to Nieves Landscape, Inc. for landscape maintenance services for the Santiago Bike Trail and Warner Basin Frontage for an amount not to exceed \$432,740 for three years with an option to renew for an additional year with General Manager approval under the same terms and conditions. The expense for this multi-year scope of services is included in the Recharge Operations department general fund budget each fiscal year. See Table 2 for an annual summary of the expenses. Note that year one is a partial year that will align the agreement terms with the District's fiscal year.

Table 2: Annual Proposed Nieves Expenses

Year	Warner Frontage	Santiago Trail	Total
1	\$ 46,824	\$ 35,120	\$ 81,944
2	\$ 71,640	\$ 42,984	\$ 114,624
3	\$ 73,068	\$ 43,848	\$ 116,916
4 (optional)	\$ 74,532	\$ 44,724	\$ 119,256
Total			\$ 432,740

PRIOR RELEVANT BOARD ACTION(S)

7/20/22, R22-7-96, Authorize issuance of Amendment No. 2 to Agreement No.1314, with Soltis and Company Inc., for an amount not to exceed 36,000 for an additional year for landscape services, with an option to renew for one year.

RE: RFP for Landscape Maintenance Services – Santiago Bike Trail & Warner Basin Frontage

Thank you for the opportunity to participate in the bidding process for the Landscape Maintenance Services – Santiago Bike Trail and Warner Basin Frontage for the Orange County Water District.

Nieves Landscape, Inc. is a full-service landscape maintenance company with an annual revenue of over 24 million dollars and in business for over 38 years. We have provided similar services to various governmental agencies/ districts/ cities/municipalities throughout Southern California. With a workforce of more than 325 workers, supervisors and qualified managers supervisors with extensive knowledge, and many years of experience, we can provide the district with landscape services unmatched by others.

We have thoroughly reviewed the site conditions, the specifications, the scope of work, and the sample landscape agreement. **Nieves Landscape, Inc.** is willing and able to sign and comply with the sample agreement. Our understanding of the work to perform is as follows:

- Provide all labor, tools, materials, supplies, fuel, vehicles, and equipment necessary to maintain various locations throughout the district in a manner of the highest landscape quality.
- All work to be performed by the specifications including all reports, schedules, disposal, hardscape care, proactively identifying and eliminating safety hazards, ground cover, shrubs, vines, inspections, fertilization per schedule, providing pest and weed control as needed, maintenance of drainage facilities, maintaining and repairing of the irrigation system as requested or required.

We aim to provide the most economical and professional results that OCWD, the residents in their service areas, visitors, and the district's employees can be pleased with.

Q & A Table

No.	QUESTIONS	ANSWERS
1	Who is the current contractor?	Soltis Landscape
2	What is the current monthly contract amount?	\$3,000 at Santiago Basin and \$4,503.60 at Warner Basin per month.
3	How much has been spent in extra/additonal work for this contract in the past year?	For Warner Basin the amount per year for extra work was \$11,937.5. For Santiago Bike Trail the amount per year for extra work was \$14,852.
4	Are there any new or deleted areas or line items to this contract in comparison to the previous contract?	No new added areas to the scope from the previous contract.
5	Will the contractor be required to use electric equipment for this contract?	Yes there are no outlets in the work areas as mentioned in the job-walk.
6	Will the city provide fertilizer for this contract?	No. The vendor is responsible for providing all materials including fertilizer to maintain the landscapes.
7	How much fertilizer will be required to be put on this contract?	As needed to maintain healthy landscapes. Vendor should use their best judgment as to when the plant material requires it.
8	Will OCWD provide a place for the contractor to dump green waste or litter?	No. The vendor is responsible for disposing offsite all waste collected during service days. Vendor should take into consideration these expenses into the bid.
9	Is the use of glyphosate products prohibited?	Not by outside service providers
10	Who is the current contractor for this contract?	Soltis Landscape
11	What is the current monthly contract amount?	\$3,000 at Santiago Basin and \$4,503.60 at Warner Basin per month.
12	Was the previous contractor awarded all options?	Yes, Soltis was awarded for both locations.
13	Are there any changes in the current scope of work and the last time it was out for bid that we need to focus on?	The only change from the previous scope of work is at Warner Basin. Monthly irrigation inspections were not detailed in the previous scope of work.
14	How many trees will require pruning annually?	As detailed in the scope of work, trees over 12 ft. in height only require clearance pruning. All trees in both locations are over 12 ft. in height.
15	What pesticides are currently being used on Warner / Santiago?	Round Up Pro Max, Certainly, Talstar and Mathion are being used in both locations.
16	Regarding unhoused activity - will the contractor be required to clean up debris left by any unhouse on the perimeter of the scoped area?	Any debris left behind by an unhoused person is required to be picked up by the vendor unless it exceeds what would typically fit in a 10 gallon trash can. Large quantities of illegal dumping can be discussed with a District Representative regarding cleanup options.
17	May the city please provide of approved chemicals that can be used for this contract?	There is no preference on which pesticides the vendor should use as long as they are safe and approved for general use around landscapes.
18	Who is the current contractor?	Soltis Landscape
19	What is the current monthly base amount?	\$3,000 at Santiago Basin and \$4,503.60 at Warner Basin per month.
20	Will the initial 3 year term be fixed price for the duration or annual wage be negotiable?	Please include your wage rate each year in the bid sheet. This should be a fixed price.

No.	QUESTIONS	ANSWERS
21	Would you please let me know the prior annual award for this service contract?	Soltis Landscape
22	Would you please confirm the correct pre-bid meeting information?	Pre-Bid meeting was on July 10 at 10am starting at Warner Nasin located at 4060 E. La Palma Ave., Anaheim, CA 92807.
23	Would you please let me know Is there a checklist of required documents for submission?	There is no checklist of required documents for submission
24	My employee was at the walkthrough and he used his information to sign in, will we still be able to submit a bid? (he is my employee) or does that disqualify us?	Your firm can submit a proposal as long as a representative from your firm attended the mandatory pre-proposal meeting.

APPROACH/ WORK PLAN:

Pre-job start:

Before the project start date, Nieves will conduct a team meeting to review in the specification requirements, inspect the project areas, and begin to document any landscape and irrigation issues and address them to the satisfaction of the district representative.

Labor Force & Equipment:

Upon notice of intent to award, Nieves will make any necessary adjustments per the specifications. The crew assigned will be a combination of seasoned crew member(s) and potential new hires to meet any staffing requirements. As with all our employees, they will receive appropriate training and orientation to meet our standards.

Schedules:

Before the start of the contract, Nieves will generate a detailed monthly and annual schedule for review and approval.

Yard Location:

Nieves Landscape's main yard and corporate office are located in the City of Santa Ana. If Nieves Landscape is the successful bidder, we will dispatch our crews from our Santa Ana yard located approximately 10 miles from the Warner Basin.

Quality Control:

The project supervisor will be the main contact with the district's representative(s) along with the foreman for the job and also the principal individuals to conduct quality control and customer service. In addition, the Operations Supervisor, other Managers, and even the President of the company will perform the necessary quality control to make sure the job is being performed at the standard set for Nieves Landscape.

Work Plan:

All crew(s) assigned to this contract will be dispatched and will arrive at the locations/ areas within the district's sites on the day(s) as scheduled or specified (per the specifications of the district).

General policing and routine tasks including trash/ litter and visual inspections will be performed by the regular crew/ worker(s) assigned along with other Nieves staff designated to this contract.

Trimming/ pruning tasks of shrubs, vines, ground cover areas, and trees (as specified) are to be performed by assigned crew(s). This also includes any seasonal or less-than-frequent duties, including fertilization and any renovation. Additional manpower will be assigned as necessary. Any tree tasks outside of the specification can be performed on a proposal basis.

All irrigation system inspections, adjustments, and repairs are to be performed by Nieves' irrigation technician assigned to this contract.

Seasonal/ specialty or less frequent tasks shall be performed by both the on-site workers and/or other Nieves crews)/staff.

All the above work shall be scheduled/ managed and monitored by the supervisor designated for this contract.

The supervisor assigned will be the main contact with the city and will also be the primary person responsible for quality control along with any and the foremen assigned. The operations manager will be the first alternate Nieves representative and shall perform any necessary duties as specified.

At the beginning of the contract, Nieves Landscape shall provide the district with the contract/emergency contact list with all of Nieves Landscape's representatives associated with this contract.

Any adjustments or changes to the primary staffing after the award of the contract shall be submitted to the district's representative for approval.

PROJECT CONTROLS/ QUALITY CONTROL PLAN:

Our understanding of the work to be performed is as follows:

- To provide the Supervision, Labor equipment, and materials necessary to maintain all areas in a manner of the highest landscape quality.
- Including all schedules before the commencement of the following week's work, trash collection, cleaning of pathways, and proactively identifying and eliminating safety hazards. Maintaining ground cover, shrubs, vines, and trees. Proper fertilization, disposal of trash and recyclables to proper facilities, providing pest and weed control (if applicable) and monitoring irrigation system.

Our supervisor will walk/ inspect the entire job continuously to keep the quality that Nieves Landscape, Inc. requires. We as a team will discuss any areas of concern. These areas will be walked with the inspector to determine the best solution for the situation. We will comply with the scope of work by providing schedules of work to come.

Punch lists are created by us and completed then sent via e-mail to the inspector so everyone understands the progress achieved.

Nieves Landscape believes that we are the best-qualified firm for the services requested. That is a proven statement that can be supported with other contracts of similar work that we have listed on our reference sheet. These inspectors/clients will confirm satisfaction regarding our level of proactive commitment to each responsibility set forth.

From the owner's hands-on approach to the length of our existing long-term accounts and employees, we take pride in our work and it shows.

CORRECTING DEFICIENCIES:

Governmental agency contracts ultimately have numerous "customers", the agency's representatives/officials, residents, and the general public. With so many customers, Nieves will do our utmost best to keep everyone satisfied with our work. But at times we know that there will be complaints and dissatisfactions reported. Nieves will address and remedy the issues and or the problems as follows:

- Address/ identity issue(s) or problem(s)
- Communicate with city representative with findings and plan of action
- Take corrective measures and address the issue(s)
- Follow up with city representative of corrective measures taken (via phone call, email, and/ or site visit)

Nieves will take all measures necessary to complete the project. If necessary, additional crew(s), equipment(s), or material(s) needed will be brought in to meet any requirements at no additional cost to the customer.

CUSTOMER SERVICE PROGRAM:

Nieves Landscape believes that customer service is one of the key aspects of our success. We are committed to customer satisfaction and we will go to great lengths to satisfy our customers. The district representatives will have a contact list with cell phone numbers of managers and supervisors for any emergency that may arise 24 hours a day, 7 days a week.

Our office is open from 6:00 am to 4:30 pm Monday through Friday. With 24-hour answering service for after-hours, weekends & holidays, with an on-call staff to address any issues.

Nieves believes in building long-term relationships with our customers. For the relationship to endure we must provide good communications and excellent service. The communications will begin at the start of the contract with a kickoff meeting to discuss any issues, concerns, and expectations. During the contract, the communications will continue regularly to ensure that the work is being performed to the city's satisfaction.

If any issues arise, the Supervisor, the Operations Supervisors, and/or the Operations Manager will take any necessary action to remedy the issue.

Our goal is to keep our customers satisfied to develop and sustain a mutually beneficial long-term relationship.

SAFETY/ TRAINING PROGRAM:

Nieves Landscape is committed to creating a safety culture that encourages workers to establish safe habits, emphasizing the importance of safety and not taking risks or shortcuts. Providing safety training to employees to improve their knowledge and awareness of workplace hazards to help them perform their work more efficiently and safely. Our training module provided in language workers understand includes and is not limited to:

- Documented Tailgate meeting
- Roadway Safety and Driver Training
- Heat & Illness Prevention Training
- Injury and Illness Prevention Program
- First Aid Training
- Proper use and maintenance of equipment and tools
- Regular Inspections of Personal protective equipment (PPE) such as safety glasses, boots, gloves, high-visibility vests, and hearing protection.
- Emergency Action Plan
- Code of Safe Practices
- Fire Protection and Prevention
- Hazard Assessments and Safety Data Sheets
- Pesticide Training
- Noise Exposure and Hearing Protection
- Fall Protection
- Accident Investigation Program
- Near miss Accident Investigation
- Monthly Safety Training as well as Owner Participation

Most accidents can be prevented by recognizing and controlling hazards in advance as well as training employees on safe work practices and effective use of personal protective equipment.

AGENDA ITEM SUBMITTAL

Meeting Date: August 15, 2024

To: Administration/Finance Issues Cte.
Board of Directors

From: John Kennedy

Staff Contact: M. Patel/M. Wu

Budgeted: Yes

Budgeted Amount: \$750,000

Cost Estimate: \$265,259

Funding Source: General Fund

Program/Line Item No.: 1050.57038.9922

General Counsel Approval: N/A

Engineers/Feasibility Report: N/A

CEQA Compliance: N/A

Subject: ULTRAVIOLET LIGHT (UV) EQUIPMENT SUPPLY

SUMMARY

The District previously selected Trojan Technologies for the UV system for the Groundwater Replenishment System. Trojan Technologies was selected from four pre-qualified equipment manufacturers to supply the equipment for the permanent UV system. Staff recommends purchasing UV lamps for restocking inventory.

Attachment: Proposals for purchase of UV lamps dated July 5th, 2024, in the total amount of \$265,259. (Freight is \$1,830 and is included in this quote.)

RECOMMENDATION

Agendize for August 21 Board meeting: Authorize issuance of Purchase Order to Trojan Technologies Group ULC for the purchase of 1,080 UV lamps in the amount of \$265,259, including freight.

BACKGROUND/ANALYSIS

In 2002, the Board of Directors for OCWD and OCSD authorized OCWD to award a pre-selection agreement to Trojan Technologies for the manufacture of ultraviolet light equipment for the Groundwater Replenishment System. The basis of pre-selection is the lowest present worth life-cycle cost. This type of present worth analysis includes all capital as well as O&M costs over the 25-year period chosen for the analysis.

Requests for Proposals were issued to four pre-qualified UV equipment manufacturers. Two responses were received, one of which was Trojan. Trojan had the lowest calculated present worth life cycle cost and the lowest capital cost of the UV equipment for their UVPHox system. Trojan has been supplying the UV lamps for the Groundwater Replenishment System since the system was first put online in 2008. The lamps are now purchased directly through Trojan. Purchasing UV lamps from other manufacturers is prohibited per the Pre-Selection Agreement approved in 2002. In addition, Regional Water Quality Control Board operating permit for GWRS was based upon the use of UV lamps supplied by Trojan Technologies. The GWRS UVPHox

system pathogen removal credits granted by the Division of Drinking Water were validated and approved based on the use of Trojan-supplied UV lamps. The use of another manufacturer's UV lamp would require at a minimum a re-validation of the UVPbox system and a possible operating permit amendment. In addition, minimum required contaminant removals are guaranteed by Trojan with use of Trojan-supplied UV lamps.

The budget for procurement of UV lamps is \$750,000. Due to the importance of having sufficient UV lamps, staff recommends replenishing the inventory stock with an extra order of lamps, or approval to purchase 1,080 lamps at this time. Staff will be coming back to the board as needed during the fiscal year to approve additional purchases each time lamp inventory requires replenishment.

PRIOR RELEVANT BOARD ACTION(S)

08/16/2023 R23-8-113; Authorize issuance of Purchase Order to Trojan Technologies Group for the purchase of 2,160 UV lamps in the amount of \$517,068 including freight.

10/19/2022 R22-10-148; Authorize issuance of Purchase Order to Trojan Technologies Group for the purchase of 2,160 UV lamps in the amount of \$490,500 including freight.

08/17/2022 R22-8-112; Authorize issuance of Purchase Order to Trojan Technologies Group for the purchase of 1,320 UV lamps in the amount of \$301,265 including freight.

03/16/2022 R22-3-27; Authorize issuance of Purchase Order to Trojan UV for the purchase of 1,080 UV lamps in the amount of \$243,380, not including freight.

01/20/2021 R21-1-7; Authorize issuance of Purchase Order to DC Frost Associates for the purchase of 1,080 UV lamps in the amount of \$214,133.

09/16/2020 R20-9-126; Authorize issuance of Purchase Order to DC Frost Associates for the purchase of 1080 UV lamps in the amount of \$209,500.

02/19/2020 R20-2-24; Authorizing Purchase Order to DC Frost Associates for the purchase of 1,080 UV lamps in the amount of \$209,382.

08/21/2019 R19-8-126; Authorize issuance of Purchase Order to DC Frost Associates for the purchase of 1080 UV lamps in the amount of \$209,382

03/20/2019 R19-3-50; Authorize issuance of Purchase Order to Trojan Technologies, Inc., for the purchase of 1080 UV lamps in the amount of \$208,381.

09/19/18 R18-9-127; Authorize issuance of Purchase Order to Trojan Technologies, Inc., for the purchase of 1080 UV lamps in the amount of \$204,519.

Subject: **AMENDMENT NO.1 TO AGREEMENT WITH LILLESTRAND
LEADERSHIP CONSULTING FOR ADDITIONAL STAFF LEADERSHIP
DEVELOPMENT**

SUMMARY

The District has utilized Lillestrand Leadership Consulting (LLC) since 2011 to assist in developing the skills of new and existing supervisors. Staff recommends adding scope and budget to LLCs current agreement with the District for one additional employee to join the recently approved FY24-25 program. This training helps these individuals focus on identifying and developing the practices they need to optimize their management skills and contribution to the organization.

Attachment: Revised Lillestrand Leadership Consulting proposal, dated August 6, 2024

RECOMMENDATION

Agendize for August 21 Board meeting: Authorize Issuance of Amendment No.1 to Agreement No.1611 with Lillestrand Leadership Consulting for an amount not to exceed \$8,100.

BACKGROUND/ANALYSIS

The District has previously utilized Loren Lillestrand Consulting's (LLC) services to provide staff members with coaching, leadership, and management training. His services have been very useful and beneficial in each endeavor, and he possesses a keen insight of the District and its activities.

In June 2024, the Board approved an agreement with LLC for FY24-25 to provide initial individual leadership consulting for six employees who are at the mid-management or supervisory level to help them improve their leadership skills. Due to an administrative oversight, one previously identified employee for the FY24-25 program was inadvertently left out of LLC's original scope of work and budget. As such, staff recommends augmenting the scope and adding \$8,100 to LLC current agreement via an amendment to incorporate the seventh employee into the program.

Executive management continues to believe that this training will be very beneficial to the participating employees, which in turn will directly benefit the District.

PRIOR RELEVANT BOARD ACTION(S)

June 19, 2024, R24-6-71– Authorize agreement to Lillestrand Leadership Consulting for an amount not to exceed \$40,000 for staff leadership development

**LEADERSHIP DEVELOPMENT PROPOSAL
ORANGE COUNTY WATER DISTRICT
2024-2025 (Revised 8.06.24)**

Introduction

Every organization, or organizational unit, is a direct reflection of the leadership it's been given, for benefit or for harm. The effective practices of leaders move the organization and its team members towards realizing the vision, and in a manner that honors the organization's values while simultaneously building up those they lead. The ineffectual and/or harmful practices of the leader yield the opposite.

Typically, organizations dedicate their most significant per person compensation and benefits packages for their leaders. It follows that making a further investment in their development is wise—especially when that development investment is focused upon identifying and developing the practices each leader needs for making their optimum contribution to the achieving the organization's vision.

Lillestrand Leadership Consulting has a long history of developing an organization's leadership for increased effectiveness. Orange County Water District has a long history of providing assessment and coaching resources to help optimize their leaders' contribution. It is to this end that this initiative is devoted. The focus of this leadership development initiative is two-fold.

I. New Participants

This segment of the leadership development initiative will be focused on four leaders, namely, Melody Wu (Purchasing); Kyle Nash (Lab); Ryan Bouley (Engineering); Alex Cervantes (Heavy Equipment Operations) and Erin Marshall (Lab).

The process involves forming a customized development direction with specific developmental activities for each individual leader. These activities are tracked and facilitated by periodic one-on-one sessions with the leadership coach. This occurs through a series of 1 - 2 hours coaching sessions per participant along with periodic half hour briefings with John Kennedy. The preparation, follow-up and implementation of this phase of the process requires \$39,100.

II. Ongoing –Previous Participants

In keeping with the reality that every organization or organizational unit is a direct reflection of its leadership; it follows that making a further investment in the development of previous participants is wise—especially when that development investment is focused upon optimizing the impact of those previous leadership development efforts.

The Ongoing segment of this initiative will be focused on providing periodic coaching sessions to previous participants, namely, Denny Tran (Lab) and Danny Simala (FHQ-Maintenance). The frequency will vary with each individual's situation and is designed to optimize the impact of previous leadership development efforts. This phase of the process requires \$8100.

Combining the "New" and "Ongoing" segments bring the total cost of the initiative to \$48,100(i.e., \$40,000 + \$8,100 = \$48,100...based on \$3600/eight-hour day).

As always, it is a distinct privilege to serve you,

Loren Lillestrand

Subject: WATER EMERGENCY RESPONSE ORGANIZATION OF ORANGE COUNTY (WEROC) FUNDING BUDGET FOR 2024-25

SUMMARY

The Water Emergency Response Organization of Orange County (WEROC) has submitted its budget for the fiscal year (FY) 2024-25, totaling \$601,615. Each WEROC funding agency has been asked to renew their support for the WEROC program for the 2024-2025 FY. OCWD has received an invoice for \$150,404, representing its share of the budget. OCWD has supported this effort since 1986.

Attachments: Budget - Water Emergency Response Organization of Orange County (WEROC) Program Accomplishments, Goals and Funding for FY 2024-2025 and Billing

RECOMMENDATION

Agendize for August 21 Board meeting: Approve 2024-25 WEROC budget in the amount of \$601,615 and authorize payment of OCWD's share in the amount of \$150,404

BACKGROUND/ANALYSIS

The purpose of the Water Emergency Response Organization of Orange County (WEROC) is to protect water and wastewater services through preparedness and response coordination. WEROC extends the staffing and resources of its member agencies, providing essential training, response support, and coordination during emergencies.

PRIOR RELEVANT BOARD ACTION(S)

From: Vicki Osborn, WEROC Director of Emergency Management

Date: January 2, 2024

Subject: Budget - Water Emergency Response Organization of Orange County (WEROC) Program Accomplishments, Goals and Funding for FY 2024-2025

The purpose of the Water Emergency Response Organization of Orange County (WEROC) is to protect water and wastewater services through preparedness and response coordination. The services and support provided by WEROC intends to be an extension of Member Agency staffing in their preparedness efforts, and a resource during emergencies to ensure representation and recovery. In order to build the relationships needed for effective response, WEROC works with its member agencies, Metropolitan Water District of Southern California (MET), the County Operational Area (consisting of the cities, school districts, county departments and other non-water special districts), the State Office of Emergency Services (CalOES), Department of Water Resources (DWR), California Water and Wastewater Agency Response Network (CalWARN), and other emergency response partners throughout the year to educate, network and collaborate.

WEROC staff works with its member agencies on emergency plans and standard operating procedure development and review; state and federal required trainings for grant eligibility and disaster readiness; disaster exercise development; grant identification and application; and assistance for response and recovery coordination.

WEROC decommissioned its primary Emergency Operations Center in Mission Viejo. WEROC still has the Fountain Valley room 101 along with its logistical support location, which has its own response plans and trained staff. In providing these services, WEROC continues to be a strong leader for regional water and wastewater emergency coordination and response.

In 2023, the WEROC program continued to support its member agencies as the ongoing pandemic stabilized and most agencies began to have additional training and/or exercises this past year. Additionally, WEROC supported its agencies who received damage from the January, February, and March storms. WEROC aided its agencies when FEMA and CalOES came to perform a Preliminary Damage Assessment (PDA) to see if Orange County would qualify.

Contained within this document are some of our accomplishments to date, what we expect to accomplish for the remainder of this fiscal year, along with next year's goals.

Activities and Accomplishments for FY 2023/2024 to Date:

WEROC conducts monthly conference calls with member agencies to report on federal, state and county changes, and facilitate and answer questions regarding changes to any regulations and if there are other needs from the agencies (cyber, supply chain, training, or exercise support)

Activation/Incident Activities

In addition to COVID-19, WEROC staff activated to support member agencies with communication, coordination, and resource needs for the following 22 events in 2023:

- Cyber Incident/Vulnerability (2 Events)
- Fire (Regency Fire) (1 Event)
- Fire/Hazmat (Hangar Incident) (1 Event)
- Public Safety Power Shutoff (November & December) (4 Events)
- Rain Events (January, February, March) (6 Events)
- Suspicious Activity (3 Events)
- Tropical Storm Hilary (1 Event)
- Water Main Break and Logistics Request (2 Event)
- Sewage Spills (2 Events)

Training and Exercises

The WEROC 2023-2025 Integrated Preparedness Plan encompasses and aligns planning with both training and exercises. On-going ICS trainings offerings (in house), water specific trainings, and development of a long-term repeating exercise program incorporating water specific areas.

Since July 2023, delivery of 15 certified in-person ICS (100, 200, 300, and 700) and G-Series Emergency Operations Center Section Specific trainings (G611, G775, G191). Training was conducted in-house by WEROC. Vicki is an approved State and Federal Instructor. Courses follow the State and Federal standards while incorporating water and wastewater specific applications. Vicki teaching the courses saves the agencies over \$171,000, which is the cost to hire a consultant/contractor to conduct these trainings.

Other trainings provided to agencies included Cyber Security Training, WEROC 101 and EOPS and Annexes coordination training, Recovery Training Part 1 & Part II (Public Assistance and the Proclamation Process, Public Assistance Requests and Documentation), Agency Representative AREP), 800 MHz Radio training, AlertOC Training, and WebEOC training. Vicki teaching this again is a savings of \$57,000 which is what contractor would charge for time and materials to teach.

Since July, WEROC conducted/facilitated six (6) tabletop exercises (TTX) for (SMWD, SCWD, SOCWA, OCWD). In addition to facilitating and running the exercise, five (5) of the TTXs were created and authored by Vicki. WEROC creating these exercises in-house and facilitating result in a savings of about \$250,000 if a consultant was hired to perform the same functions.

Supported other agencies exercises with development and evaluation (IRWD, City of Orange).

Other Planning Areas

- Even though this occurred in June 2023, I feel it's important to highlight the value of WEROC with event planning. At the end of OCWD Ground Water Replenishment System, end of project celebration with 300+ elected and VIPs invited, WEROC worked closely with the City of Fountain Valley (law & fire), OCIAC, and CHP. WEROC (Vicki) served as the Planning and Intelligence Section Chief and crafted the Incident Action Plan (IAP) for the event.
- Dam Planning was very busy in 2023. Vicki assisted SMWD with the coordination call with CalOES Dam Safety Planning Division. The Oso Dam Plan was approved.
- Vicki worked on the plan and made the revisions on the SCWD Palisades Dam and worked with CalOES to get the plan approved. If SCWD would have hired a contractor, this plan project would cost \$15,000

because the last revision was in 2017 and the reach out to planning agencies needs to occur again with this revision. As of December, Vicki updated the last request for changes from CalOES. SCWD is waiting for the letter of approval.

- In partnership with the OCIAC, the Water and Wastewater Cyber Security Working Group continued to meet in 2023. WEROC continues to send cyber security information out to the agency points of contact and WEROC provides cybersecurity training to agency IT professionals.
- WEROC continues to maintain the member agency phone directory and AlertOC contacts list by ensuring the proper contact information was entered into the system for all 36 agencies. This effort allows WEROC to distribute timely information to our member agencies during emergencies.
- Safety Center (now called In Case of Crisis), is the coordination and documentation library WEROC uses in conjunction with member agencies, has received update of almost all documents. This including a Safety Center training for member agencies.
- Vicki has been appointed as the Vice President of the CalWARN and Vice Preside of the California Emergency Services Association (CESA) State Board.
- WEROC commented and provided input on various planning documents throughout the year. When WEROC provides input to County, or UASI plans, they represent the interests of all water and wastewater agencies. Some of those plans included:
 - County of Orange & Orange County Operational Area Emergency Operations Plan
 - Orange County Operational Area - Disease Outbreak Annex
 - Orange County Operational Area – Evacuation Annex
 - Orange County Operational Area - Recovery Annex
 - Urban Area Security Initiative (UASI) and County of Orange – Threat and Hazard Identification and Risk Assessment (THIRA)
- WEROC created and distributed a few standard operating procedures (SOPs) a couple examples include:
 - Event and Delegation Visits (I partnership with the OCIAC)
 - Water Trailer Use & Deployment /Request SOP

Advocacy

WEROC continues to advocate and participate in meetings at all levels of government and with private partners including but limited to: County Government (County Executive Office, Health Care Agency, OC Public Works, OC Sheriff Emergency Management Division); Operational Area Partners (Cities, Private Sector Partners, Orange County Intelligence Assessment Center (OCIAC); State Agencies (South Coast AQMD, California Office of Emergency Services (CalOES), Department of Water Resources (DWR), Cal OSHA; Federal Agencies (Federal Emergency Management Agency (FEMA), Federal Department of Homeland Security (DHS), Environmental Protection Agency (EPA), and the White House Intergovernmental Affairs Office)

Project Goals for the Remainder of Fiscal Year 2023-2024

- Maintaining WEROC and OC water and wastewater agencies in a state of readiness to respond to emergencies.
- Deliver training courses to member agencies including Incident Command System, Standardized Emergency Management/National Incident Management System, and other requested courses.
- Deliver the five (5) Tabletop Exercises (TTX) as requested from member agencies between April and June. Scenarios vary from earthquakes to cyber incidents.
- Continued implementation of Water Commodity Distribution Plan with member agencies & cities for implementation and development of the Regional WEROC Plan.
- Take receipt of the mobile Sprinter Van when ready from the retailer.

WEROC's Goals for Fiscal Year 2024-2025:

Below highlights some of the goals for the upcoming fiscal year. WEROC continues to use the 2020 WEROC Assessment Report as a strategic plan for the WEROC program.

- Maintain WEROC and OC water and wastewater agencies in a state of readiness to respond to emergencies. Key aspects include staffing, training, exercises, updating plans and procedures.
- Continue implementation of the WEROC Assessment Plan and continue to build upon the lessons learned from various training, exercises, and real events. In 2025, Director of Emergency Management (Vicki) will do an updated Strategic Pln.
- Development and implementation of the Logistics Plan with after action items captured from the Regional Tabletop Exercise that will incorporate how resources are coordinated within the WEROC Organization.
- Development of a GIS dashboard allowing for visibility of information in a non-linear form using open-source information and current in-house mapping information. Also develop out the Damage Assessment as the tool was qualified during the 2023 May Exercise.
- Finalize and implement WEROC Emergency Water Distribution Plan by working with the County, cities, and water agencies by region to establish the responsibilities, process and procedures based on outcomes of testing the plan during the May 23 Operational Area Exercise.
- Update the WEROC Map Atlas. These maps contain critical information for both water and wastewater. Additionally, jurisdiction areas are divided into the Public Safety Power Shutoff Zones. Project will include incorporation of hardcopy and GIS layers. These maps were updated back in 2017 and infrastructure and water system oversight in some areas have changed. This is a carryover project. Additional costs so this project can contain GIS layers will come out of the WEROC reserves.
- Development of the Regional Water and Wastewater Fuel Plan. Agencies have provided their preliminary information. This will be expanded out to an actual plan.
- Establish a contract for the update of the Orange County Regional Water and Wastewater Hazard Mitigation Plan and AWIA. This is a choice contract. For AWIA, agencies will be able to opt in for risk assessment again as required every 5 years by the EPA and updating of the agency Emergency Response Plans (ERPs) of an agency plan is in good shape, they can request a tabletop Exercise instead. As for the HMP, the last revision 20 water and wastewater agencies participated in the project. This plan is valid and approved by FEMA until March 9, 2025.

The proposed preliminary WEROC Operational Budget for FY 2024-2025 is \$601,615 (please see the budget spreadsheet at the end for details.). This budget has an increase from last year of \$22,015 total.

Considerably, most of the budget increase (\$22,015) encompasses staffing costs including the Performance & PERS/Benefits percentage increase for all WEROC staff along with the acquisition of a new, experienced WEROC Specialist to fill the vacant position.

While I decreased the overall programs operating budget by (\$10,750). If any additional funding is required for FY 2024/25, I will use my reserves to cover the costs.

In addition to MWDOC's contribution towards the WEROC operational budget, MWDOC will continue to provide:

- Daily administration, including the WEROC staff's work area, day-to-day management, technical support, and accounting services.
- MWDOC staff will spend an estimated 800+ hours participating in WEROC training, exercises, and programs.
- MWDOC's Engineering Department staff will continue to support technical projects and planning as it relates to WEROC and emergency planning.
- MWDOC Member Agencies contribute to the program by providing technical support throughout the year for items such as generator maintenance, technical expertise for a request for proposals development, exercise staffing assistance, and more.

Respectfully, we are asking each of the WEROC funding agencies to renew their continued support for the WEROC program again for the 2024-2025 fiscal year. If you would like WEROC to provide a specialized service, please let me know so that I can assist your agency with its needs. If you have any questions about the WEROC budget, programming, or would like to have further discussions, please contact me at (714) 746-4808 or by email at vosborn@mwdodc.com.

**Subject: ACTUARIAL VALUATION OF RETIREE MEDICAL INSURANCE
BENEFIT PLAN**

SUMMARY

The June 30, 2023 actuarial valuation of the District's retiree medical insurance benefit plan was completed by Foster & Foster on August 6, 2024. Per the valuation, the District's actuarial accrued liability (AAL) is \$27,757,000. The actuarial value of the trust assets is \$28,340,000. Therefore, the overfunded actuarial accrued liability (OAAA) or net Other Post-Employment Benefits (OPEB) Asset is \$583,000 and the District's retiree medical benefit is 102% funded as of June 30, 2023. Doug Pryor, Senior Consulting Actuary with Foster & Foster, will present the June 30, 2023 valuation at the committee meeting.

- Presentation by Foster & Foster

RECOMMENDATION

Agendize for August 21 Board meeting: Receive and file the June 30, 2023 Orange County Water District Retiree Healthcare Plan Actuarial Valuation report.

DISCUSSION/ANALYSIS

The June 30, 2023 Orange County Water District Retiree Healthcare Plan Actuarial Valuation report has been completed by Foster & Foster on August 6, 2024. Actuarial valuations are used to derive OPEB liabilities every two years. The current valuation is attached.

The key numbers outlined in the most recent June 30, 2023 actuarial valuation are summarized below:

- **Present Value of Benefits (PVB) - \$33,973,000** - The total projected cost to finance benefits payable in the future based on service through the valuation date and future service, discounted to reflect the expected effects of the time value of money.

- **Actuarial Accrued Liability (AAL) - \$27,757,000** - This represents the present value of all benefits earned to date as of June 30, 2023 and will be reported in the District's June 30, 2024 annual audit report.
- **Overfunded Actuarial Accrued Asset (OAAA) – \$583,000** - This is the actuarial accrued liability less assets (on a 5-year smoothed basis) that have been set aside in an irrevocable trust to fund the Other Postemployment Benefits. This asset value is used to calculate the recommended trust contribution.
- **Actuarial Determined Contribution (ADC) - \$684,000 for FY24/25** - The Actuarial Determined Contribution (ADC) represents the actuarial amount determined necessary to fully fund the benefits over time. It is calculated by adding the amortized total overfunded actuarial accrued liability over 18 years of (91,000) with the annual normal cost of \$730,000 and \$44,000 of administrative expenses. GASB does not mandate the ADC be funded.

The following table (Table 1) details the Actuarial Obligation Valuation for two periods June 30, 2021 and June 30, 2023.

Table 1
Actuarial Obligation Valuation

Valuation Date	June 30, 2021	June 30, 2023
Present Value of Benefits		
Active (future retirees)	\$ 20,347,000	\$ 20,896,000
Retirees	10,160,000	13,077,000
Total	\$ 30,507,000	\$ 33,973,000
Actuarial Accrued Liability		
Active (future retirees)	\$ 14,008,000	\$ 14,008,000
Retirees	10,160,000	13,077,000
Total	\$ 24,168,000	\$ 27,757,000
Actuarial Value of Assets	24,425,000	28,340,000
Overfunded Actuarial Accrued Liability	\$ (257,000)	\$ (583,000)

Table 2 below explains the reasons for the changes in the Actuarial Accrued Liability which is the projected benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service.

Table 2
Actuarial Accrued Liability (AAL) Estimated Changes from Prior Valuation

Actual AAL at 6/30/2021	\$ 24,168,000
Expected AAL at 6/30/2023	\$ 26,450,000
Changes:	
a.) Updated Medicare eligibility assumption	\$ 907,000
b.) Updated trend	\$ 1,320,000
c.) Actual premiums and caps lower than expected	(997,000)
d.) Plan change	40,000
e.) Demographics - participants changes	37,000
Total changes	\$ 1,307,000
Actuarial Accrued Liability at 6/30/2021	\$ 27,757,000

In Table 2 – “Estimated Changes from Prior Valuation” above, the increases or (decreases) in the Actuarial Accrued Liability are detailed. The Actuarial Accrued Liability is the portion of the Present Value of Future Benefits already earned in exchange for past service.

The following provides an explanation as to why the District has experienced changes in the Actuarial Accrued Liability:

- a. Updated Medicare eligibility assumption that reflects current non-Medicare retirees and future retirees not expected to be in Medicare plans.
- b. Overall increase in expected future medical premiums.
- c. Actual healthcare premiums and District approved caps lower than expected.
- d. Plan change – increase dual/family caps to 95%/97% respectively.
- e. Difference in demographics.

Table 3 – “Market Value of Plan Assets” details the changes of the PARS Trust as of June 30, 2021 and June 30, 2023.

Table 3
Market Value of Plan Assets

Valuation Date	June 30, 2022	June 30, 2023	June 30, 2024
MVA (Beginning of Year)	\$ 27,460,000	\$ 24,344,000	\$ 27,350,000
Contributions	1,598,000	1,598,000	640,000
Reimbursements – Retiree Medical Costs	(869,000)	(768,000)	(903,000)
Investment Earnings	(3,792,000)	2,226,000	3,726,000
Plan Expenses	(53,000)	(50,000)	(44,000)
MVA (End of Year)	\$ 24,344,000	\$ 27,350,000	\$ 30,769,000

Table 4 – “Actuarial Determined Contribution”, details the ADC that represents the amount needed to fund the District’s OPEB benefits over time. If the contributions are not fully paid, interest accrues on the unpaid portion at the plans expected long-term rate of return. For the year ended June 30, 2023, the District contributed \$1.598 million. For the year ended June 30, 2024, the District contributed \$0.640 million.

Table 4 – “Actuarial Determined Contribution”

Actuarial Determined Contributions (Amounts in 000's)					
ADC - \$	06/30/21 Valuation		06/30/23 Valuation		
	June 30, 2023	June 30, 2024	June 30, 2025	June 30, 2026	
Normal Cost	685	674	730	726	
Admin. Expense	61	63	44	46	
UAAL Amortization	(102)	(97)	(91)	(132)	
Total	\$ 644	\$ 640	\$ 683	\$ 640	

Actuarial assumptions about the future are used in determining OPEB liabilities. These assumptions are subject to change. Some of the key assumptions are the discount rate (5.75% at 6/30/21 and 5.75% at 6/30/23, or the approximate rate of return on the District's PARS Balanced investment option), that 100% of current retirees and spouses would enroll in Medicare at age 65, and for employees hired on or after July 1, 2009 District paid benefits will end at age 65 for both retirees and their survivors.

The costs of retiree health insurance premiums are paid each year from the District's PARS Trust. The Actuarial Valuation report estimates how this cost is expected to grow in the future. These costs are based on several assumptions outlined in the report. The funds to cover the annual cost of this benefit are included each year in the budget under a separate line for that fiscal year's cost to provide the retiree medical coverage. This ensures proper reporting of funding for this benefit. The District's current annual cost for the 102 retirees who currently receive the benefit is approximately \$768,000.

PRIOR RELEVANT BOARD ACTION(S)

08/16/2023 M23-94 – Receive and file the Orange County Water District actuarial report dated June 30, 2023, with a measurement date as of June 30, 2022.

08/17/2022 M22-82 - Receive and file the June 30, 2021 Orange County Water District Retiree Healthcare Plan Actuarial Valuation report.

08/18/2021 M21-91 - Receive and file the Orange County Water District actuarial report dated July 30, 2021, with a measurement date as of June 30, 2020.

08/19/2020 M20-92 - The June 30, 2019 Orange County Water District Retiree Healthcare Plan Actuarial Valuation report is hereby received and filed.

08/21/2019 M19-117 - Receive and file the Orange County Water District actuarial report dated July 31, 2019 with a valuation date as of June 30, 2018

08/15/2018 M18-103 - Receive and file the Orange County Water District actuarial report dated July 31, 2018 with a valuation date as of June 30, 2017

07/18/2018 M18-86 - Receive and file June 30, 2017 Retiree Healthcare Plan Actuarial Valuation report is hereby received and filed.

02/21/2018 M18-20: Authorize the addition of \$13,500 to the Human Resources General Fund budget for the Governmental Accounting Standards Board (GASB) Actuarial Study

11/18/2015 M15-168 - Receive and File the Governmental Accounting Standards Board (GASB) Statement 45 actuarial valuation of the District's retiree medical insurance benefits dated July 1, 2015

09/05/2007 M07-123: Authorize the California Public Employee's Retirement System (CalPers) Actuarial Study for an amount not to exceed \$2,800 as requested by Orange County Employee Association.

11/15/2006 M06-138 - Direct staff to update the District Actuarial Valuation of Retiree Medical Benefits Report

07/21/2004 R04-7-97: Authorize a transfer of \$12,000 from General Fund reserves to Account No. 1030.53001 for retiree medical benefit actuarial study costs

4

IMPLICIT SUBSIDY

- Actives and retirees are pooled and have blended rates
- Active employee premiums subsidize retiree cost:

August 7, 2024

5

IMPLICIT SUBSIDY

- GASBS 75 defers to actuarial standards of practice Prior Actuarial Standards of Practice No. 6¹ (ASOP 6) allowed community rated plans to value liability using premiums, resulting in no implicit subsidy.
- In May 2014, Actuarial Standards Board released revised ASOP 6:
 - Requires implicit subsidy valued for community rated plans such as ACWA-JPIA.
 - Timing: effective with all valuations on or after March 31, 2015
- Valuations on and after June 30, 2017 include the ACWA-JPIA implicit subsidy.
- Following the guidance of ASOP 6's Practice Note, no implicit subsidy valued for Medicare Advantage plans

¹ Measuring Retiree Group Benefits Obligations and Determining Retiree Group Benefits Plan Costs or Contributions.

SINCE 1933

ACTUARIAL CERTIFICATION

This report presents the Orange County Water District Retiree Healthcare Plan (“Plan”) June 30, 2023 actuarial valuation. The purpose of this valuation is to calculate the June 30, 2023 funded status and 2024/25 and 2025/26 Actuarially Determined Contributions and provide the basis for the District’s GASBS 75 accounting information report for the fiscal years ending on June 30, 2024 and June 30, 2025. The report may not be appropriate for other purposes.

Future actuarial measurements may differ significantly from the current measurements presented in this report due to such factors as: plan experience differing from that anticipated by the assumptions; changes in assumptions; changes expected as part of the natural progression of the plan; and changes in plan provisions or applicable law. Actuarial models necessarily rely on the use of estimates and are sensitive to changes. Small variations in estimates may lead to significant changes in actuarial measurements. Due to the limited scope of this assignment, we did not perform an analysis of the potential range of such measurements.

Information under Governmental Accounting Standards Board Statement No. 75 (GASBS 75) has been provided under a separate report.

The valuation is based on Plan provisions, participant data, and asset information provided by the District as summarized in this report, which we relied on but did not audit. We reviewed the participant data for reasonableness.

To the best of our knowledge, this report is complete and accurate and has been completed using generally accepted actuarial principles and practices. As members of the American Academy of Actuaries meeting the Academy’s Qualification Standards, we certify the actuarial results and opinions herein.

Respectfully submitted,

DRAFT

Doug Pryor, ASA, EA, MAAA

Subject: **PROPOSED AUDIOVISUAL REPLACEMENTS TO THE BOARDROOM, C2 AND C3 CONFERENCE ROOMS**

SUMMARY

The audiovisual systems in the Boardroom, C2 and C3 conference rooms, installed by Integrated Media Systems, Inc. (IMS) 12 years ago, have reached their end of life and are causing issues due to equipment failure, lack of support and difficulty in finding replacement parts. Staff has been working with Western Audio Visual and Security (WAVS), an audiovisual contractor, to review these systems, recommend audiovisual updates and develop specifications for a replacement Request for Proposals (RFP).

RECOMMENDATION

Agendize for August 21 Board meeting: Direct staff to develop a Request for Proposals (RFP) for an audiovisual contractor to replace the audiovisual systems in the Boardroom, to include the direct view LED (dvLED) video wall option, and in the C2 and C3 conference rooms.

BACKGROUND/ANALYSIS

The District Boardroom is used primarily for meetings of the District's 10-member Board of Directors and provides audience seating for up to 130 people. OCWD conducts semi-monthly Board meetings, and holds committee meetings, workshops, tours, and other public meetings in the Boardroom and conference rooms. The Boardroom and conference rooms are also used by the Metropolitan Water Districts of Orange County (MWDOC), and occasionally, by several outside agencies and organizations for public meetings. Meetings are held in person, however, as a courtesy, are typically provided with virtual meeting platforms like Zoom.

The audiovisual equipment in the meeting rooms have reached their useful lifetimes, with most items now obsolete and no longer supported. On January 17, 2024 meeting, the Board authorized an agreement with WAVS to review and recommend updates and develop specifications for a replacement RFP.

The replacement would include audio and video communication and control equipment, amplifiers, microphones, control panels, graphic controllers, video screens, and a request-to-speak and voting system.

Per the agreement with WAVS, they are to perform their analysis in three phases:

- Phase 1. **Needs Assessment (completed)** – review existing equipment, meet with District stakeholders, and draft a memo outlining the needs of an AV system.
- Phase 2. **Design Alternatives (current)** – provide summary descriptions and itemized cost estimates of 3 design alternatives.
- Phase 3. **Bid package for AV system upgrade** – provide function design, plan drawings, tech specs and other info necessary for an RFP or other bid package.

At the June 2024 Administration /Finance Issues Committee, staff provided an update of WAVS' recommended configuration for the Boardroom and conference rooms per Phase 1. WAVS is working on Phase 2 and has provided preliminary cost estimates and alternatives. Staff is bringing an overview of the Phase 2 design alternatives to the Committee for comment and direction.

Boardroom Alternatives:

WAVS proposes three alternatives for the viewing screen:

- 1) dvLED video wall (direct view LED);
- 2) a video wall similar to the one in currently installed; and
- 3) a projector and motorized screen.

Additionally, WAVS is proposing touchscreens at the dais, a system control and voting system, multiple cameras, and improved microphone and audio capabilities.

WAVS recommends Alternative 1 as the preferred system. This option delivers a bright, clear image on the video screens without the distracting lines caused by the bezels of the current video wall (and of the video wall of Alternative 2). Board members have previously requested a seamless video display, making this a significant improvement. Additionally, the dvLED wall, composed of multiple screens, offers enhanced reliability. Unlike Alternative 3 (projector), it eliminates the risk of a single-point-of-failure, as the screens can be reconfigured if needed.

C2 and C3 Conference Room Recommendation:

WAVS proposes a large digital LED display, integrated audio capabilities, camera and touch panel controls, similar to what is currently in place. Estimated cost is \$58,484 for each conference room.

Estimated costs for Boardroom and Conference Rooms:

Following are estimated total costs for the purchase and installation of audiovisual equipment in the Boardroom and conference rooms.

Alternative	Boardroom	C2	C3	Total
1) dvLED	\$461,347	\$58,484	\$58,484	\$578,315
2) Video wall	\$417,023	\$58,484	\$58,484	\$523,991
3) Projector	\$417,409	\$58,484	\$58,484	\$494,377

NOTE: alternatives 2 and 3 do not include work required to return wall back to its original form prior to the installation of the existing video wall by IMS in 2012.

These costs do not include ongoing annual maintenance; however, staff estimates that based on past maintenance audiovisual equipment maintenance agreements, the cost would be about \$25,000 per year.

Chambers of Commerce

At the request of the committee, staff surveyed several chambers of commerce as to their audiovisual capabilities.

- The Fountain Valley Chamber of Commerce does not have its own conference room. When needed, they utilize the conference room at the Fountain Valley School District, which is equipped with a PC connected to a projector.
- The Brea Chamber of Commerce is currently without its own conference rooms. However, they are in the process of relocating to a new facility that will include a conference room. The new setup will feature a PC directly connected to a large TV screen.
- The North Orange County Chamber of Commerce offers multiple conference rooms equipped with PCs connected to large TV screens.

Based on recommendation from WAVS, staff recommends authorization to develop an RFP for an audiovisual contractor to replace the audiovisual systems in the Boardroom, to include the direct view LED (dvLED) video wall option, and in the C2 and C3 conference rooms. Staff would return at a future date for approval from the Board to issue the RFP.

PRIOR RELEVANT BOARD ACTION(S)

01/17/2024 R24-1-8 Authorize issuance of Agreement with Western Audio Visual & Security in an amount not to exceed \$14,000 to develop audiovisual specifications for the Boardroom, C2 and C3 conference rooms.

01/18/2012 M12-15 Authorize issuance of a Change Order to Integrated Media Systems, Inc. for an increase to Purchase Order in the amount of \$74,445 for additional equipment and services required in the Boardroom and Conference Rooms upgrade.

09/21/2011 R11-9-145 Authorize issuance of a Purchase Order to Integrated Media Systems for an amount not to exceed \$466,177 for the purchase, configuration, installation, and commissioning of equipment and services to replace the District's existing audiovisual systems in the Boardroom and C2 and C3 Conference Rooms

03/16/2011 M11-51 Authorize issuance of an RFP for Boardroom and Conference Room Audiovisual contractor

09/16/1998 R98-9-146 Authorize Purchase Order to JOS Projection Systems for Boardroom Audiovisual System Improvements

Subject: **CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING**

SUMMARY

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the District for its Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2023. To be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized ACFR, whose contents conform to program standards. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

Attachment: Certificate of Achievement for Excellence in Financial Reporting

RECOMMENDATION

Informational

BACKGROUND/ANALYSIS

This is the 16th year in a row that the District has received an award for its comprehensive annual financial report. The Certificate of Achievement is the highest form of recognition on the area of governmental accounting and financial reporting. The attainment of this award represents a significant accomplishment by the District and its staff.

The preparation of an ACFR on a timely basis is a complex task, made possible only by the combined efforts of many persons. The Finance and Accounting department staff deserve special recognition. Without their efforts, the completion of the ACFR with receipt of the Certificate of Achievement for Excellence in Financial Reporting would not have been possible.

Subject: MONTHLY CASH DISBURSEMENTS REPORT

SUMMARY

The Committee requested that staff provide information related to the District's cash disbursements and that it be included for review at Administration/Finance Issues Committee meetings.

Attachments: Cash Disbursements Reports for the period June 27, 2024 – July 31, 2024

RECOMMENDATION

Informational

BACKGROUND/ANALYSIS

At the request of the Committee, the Cash Disbursements reports are included in detail for review at Administration/Finance Issues Committee meeting. They are also included in the Board packet to be ratified. Checks numbered with a series beginning with an 8 represent normal automated system vendor check payments, checks numbered with an 80 represent vendor payments via single use account, and checks numbered with a series beginning with a 9 are manual checks or wire transfer disbursements.
