Q & A Table

Q&A Table for Annual Medium Voltage and Low Voltage Maintenance and Testing Services (RFP-26-002)

No.	QUESTIONS	ANSWERS
1	Has this contract been previously awarded? If so, please provide the name of the previous contractor and the awarded contract amount, if available.	Yes, This contract is a continual progression from 2008. The previous service was provided by ERS as per the attached test report. Contract price will not be disclosed
2	Is certification required for personnel performing infrared/thermal imaging inspections? If so, please specify the required certification and level.	This is up to your own internal policy keeping in mind that you are ultimately responsible for the safety of your crew and the accuracy and veracity of the data.
3	When was the last maintenance service performed on the equipment?	The last maintenance was performed in May of 2026 (year 4)
4	Are there any known issues or deficiencies with any of the equipment included in the scope of work?	There are no known issues that have not been addressed.
5	To clarify the work schedule, will the work be limited to one 12-hour shift per mobilization, except for the 2028 schedule?	Yes
6	To clarify the scope of work, should the services be based on the previously provided test forms?	Yes
7	For the SF6 switches, are we only required to perform visual and mechanical inspections, excluding electrical testing?	Yes
8	For oil sampling and testing of liquid-filled transformers, is a Furan analysis required for all transformers?	Yes
9	For the oil sample testing, could you please provide a list of the specific tests required for each transformer?	See Provided report
10	Will there be sufficient space near the equipment for two contractor vehicles to park during the work?	Yes, near could be up to a couple of hundred feet, but most will be far closer.
11	To confirm, will the facility be responsible for isolating the equipment and removing all breakers?	Yes
12	If the work extends beyond the scheduled 12-hour shift due to circumstances outside the contractor's control, will a change order be issued to cover the additional labor and associated costs?	No
13	Will contractor need to submit "Certified Payroll" to County?	Yes
14	Is NETA certification and a NETA 3 or higher required of the contractor and test technician(s) a requirement to bid/win this RFP?	Yes
15	Is IBEW union membership a requirement for participation in this RFP?	No
