

Q&A Table for the Granular Activated Carbon Media Procurement, Delivery And Installation at the Fullerton Main Plant (RFP-25-003)

No.	QUESTIONS	ANSWERS
1	Can other carbon be submitted due to the Evoqua/ DesoTech development?	No. GAC media being referred to as "Evoqua" products are to instead be referred to as "Xylem" products.
2	What is the reactivation QAQC process or expected quality?	All GAC media shall be virgin per the RFP. Reactivated carbon will not be accepted.
