

Introduced by Senator Lara
(Principal coauthor: Assembly Member Rendon)

February 24, 2015

An act to amend Section 32605 of the Public Resources Code, relating to the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy.

LEGISLATIVE COUNSEL'S DIGEST

SB 355, as introduced, Lara. San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy.

Existing law establishes the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy, which is responsible for the preservation and protection of specified lands within the San Gabriel and Lower Los Angeles Rivers and Mountains area, as defined. Existing law prescribes the duties of the conservancy, and requires that it be comprised of 13 voting members and 7 nonvoting members, as specified. Existing law requires that the voting members include, among other members, 2 members of the Orange County Division of the League of California Cities, both of whom shall be a mayor or city council member of a city bordering the San Gabriel River or tributary thereof.

This bill would instead require that only one member of the Orange County Division of the League of California Cities be a voting member, and would require that a resident of a city bordering the Lower Los Angeles River, appointed by the Senator Committee on Rules, be a voting member. The bill would also increase the number of nonvoting members to 9, and would require that one Member of the Senate, appointed by the Senate Committee on Rules, and one Member of the Assembly, appointed by the Speaker of the Assembly, serve as those nonvoting members. The bill would require that those legislators serving

as nonvoting members represent a district that is at least partially contained within the territory of the conservancy and participate in activities of the conservancy only to the extent that participation is compatible with his or her duties as a legislator.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:
